

# DNA STREET FESTIVAL

## WHISPER OF TREE BARK

### PROGRAMME NOTES

In the 21st century, humanity is facing an ever-growing climate crisis.

You may have asked yourself: 'Where do I start?'  
Our answer is: 'Listen to what nature is trying to tell you.'

In this recital, you will experience music which contains messages from the trees infused with Jewish, Scottish, and Welsh cultures.

### THE ASH GROVE

by Ben Finlay

For Clarinet and Cello

Clarinet: Rowan Jones

Cello: Ben Finlay
